Position Announcement Medical Director/Staff Physician

Community Health Partnership of Illinois (CHP), a Federally Qualified Health Center, providing primary health care to migrant farmworkers and other medically vulnerable populations throughout northern and central Illinois, is seeking a Medical Director/Staff Physician who is looking for an opportunity to make a difference in a community in need.

CHP seeks a Medical Director/Staff Physician to provide 1) high quality, culturally responsive health care to our patients, and, 2) clinical leadership for our medical providers, staff, and clinics. The Medical Director collaborates with Leadership Team colleagues in a dynamic, mutually supportive environment. This position balances clinical leadership to assure high quality health care for the communities we serve - guided by the principles of a patient-centered, community-based Health Care Home - with direct patient care focusing on improved patient and community health outcomes.

Minimum Qualifications:

- Current State of Illinois Physician and Surgeon License.
- Board certification in Family Practice or the equivalent.
- Experience with EMR systems and quality improvement efforts
- Two (2) years experience in community-based health care delivery.
- High level of cultural competence.

Bilingual (Spanish-English) highly desirable

**Competitive salary and excellent employee benefits program.
Supportive work environment with other committed professionals.
National Health Service Corps Loan Repayment Sites.**
