

# YEAR IN REVIEW 2017

## TECHNICAL ASSISTANCE

Migrant Clinicians Network's expert clinical team provides both on-site and distance technical assistance. Services range from quality and performance improvement to cultural competency to continuity of care.

**22,639**

**TECHNICAL ASSISTANCE ENCOUNTERS**

Migrant Clinicians Network prides itself on filling in the gaps when it comes to migrant health. For almost two decades, MCN's Institutional Review Board has stepped up to review and monitor research involving mobile, marginalized, and vulnerable populations like agricultural workers, to assure, in advance and by periodic review. This past year the MCN IRB monitored 7 research protocols.

## IN THE NEWS

MCN's website has provided vital resources for clinicians and critical issues to the national conversation accessible across the country and on any device. Our articles pushed for immigrant health needs, stronger worker protections, increased pesticide regulation, health care for all immigrants, and more.

## HEALTH NETWORK

MCN's Health Network assures continuity of care and treatment completion by providing comprehensive case management, medical records transfer, and follow-up services for mobile patients. To date we have worked with:

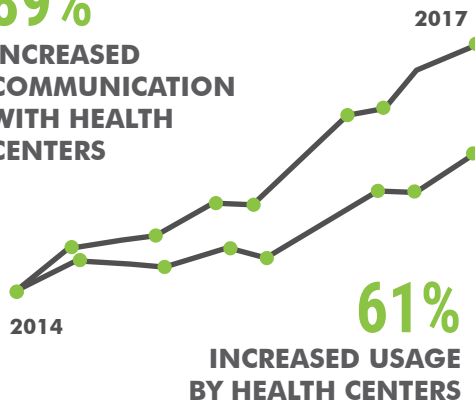

**114** **ENGAGED PARTNER COUNTRIES**

### CASES CLOSED

**89%**  
**INCREASED COMMUNICATION WITH HEALTH CENTERS**

**7,067** **PATIENT CONTACTS**

**PATIENT MEDICAL RECORDS RECEIVED 3,534**

### CASE REVIEWS

Health Network implemented Case Reviews with enrolling clinics. During these meetings, clinicians have in-depth discussions regarding the care management for individual patients.

**COHORT MANAGEMENT**

Health Network participated in a cohort management pilot, which demonstrated that migration does not limit participation of subjects in critical research.

## CLINICIAN EDUCATION

MCN provides high-quality continuing education to health care providers serving mobile and underserved populations. MCN's comprehensive clinical education program disseminates best models and practices, facilitates the development of clinical leadership, and advances excellence in practice.
