English Translations for ¡Vacuna contra el COVID-19 es protección! : The COVID-19 Vaccine is Protection!

Comic Title: The COVID-19 Vaccine Is Protection!

**Image #1:** Woman: Are you going to track me?
   Man: Of course not, but I will protect you with the vaccine.

**Image #2:** Man: The COVID-19 Vaccine has what we need!
   Woman: What are you talking about?
   Man: It has mRNA, which instructs our body to bring out the antibodies that will combat the COVID-19 virus.
   Woman: Perfect, protect me with the vaccine!

**Image #3:** After getting the vaccine, remember to continue to social distance and wear a mask. Until we are all safe.

**Image #4:** Don’t forget to go back for your second dose!
