Comic Title: The COVID-19 Vaccine Is Protection!

**Image #1: Woman:** Are you going to track me?
**Man:** Of course not, but I will protect you with the vaccine.

**Image #2: Man:** The COVID-19 Vaccine has what we need!
**Woman:** What are you talking about?
**Man:** It has mRNA, which instructs our body to bring out the antibodies that will combat the COVID-19 virus.
**Woman:** Perfect, protect me with the vaccine!

**Image #3:** After getting the vaccine, remember to continue to social distance and wear a mask. Until we are all safe.

**Image #4:** Don’t forget to go back for your second dose!
