The conference is for **Community Champions** (community health workers, community health advisors, lay health advocates, Promotoras, outreach educators, community health representatives, peer health promoters, and peer health educators).

Come and learn about evidence-based programs for prevention and self-management of diabetes, heart disease, and stroke.

These programs can **develop and increase your skills and improve your community's health.**

Agenda available at www.migrantclinician.org/conference/healthchampions

Sponsored by the [Washington State Department of Health](http://www.wa.gov/Health) and [Migrant Clinicians Network](http://www.migrantclinician.org)
